The Williamsville North DECA chapter, advised by Mr. Alan Balsdon, continued to outshine the competition at this year’s NYDECA State Career Conference. Even though things were much different this year, North’s members rose to the challenge and showed an unmatched dedication and commitment to their competitions. This conference was the culmination of the New York State DECA year and the final step to participating in the International Career Development Conference in April. With Williamsville North’s representation of 55 students, the chapter amassed an impressive number of awards and had the following 16 students qualify to compete at the International Career Development Conference.

Other North competitors received recognition for their achievement in their events including many top five medals for their role-play, test and overall finish. These students are: Joseph Saia, Ronald Vincent, Gavin Miller, Leah Stone, Hadley Katzman, Corrine Meldrum, Drew Katzman, Adarsh Narayanan, Ian Lopes, Ananya Chandra, Matt Klapp, Isadora Pellegrinetti, Jimmy Kasperek, Niharika Arany, Victoria Bollinger, Sydni Wasserman, Annabel Cavall, Carolina Brown, Josephine Peck, Ethan Stierheim, Noah Stierheim

The Williamsville North community is very proud of the accomplishments of these students and young business people. The chapter hopes to maintain this high level of success at the International Career Development Conference at the end of April. Aside from these conferences, the chapter is involved in many fundraisers and community service projects. For more information about DECA, please visit www.newyorkdeca.com or www.deca.org. Also, don’t forget to check out the DECA WITS page for more information on what is going on for North DECA.
Williamsville North is lucky to have Ms. Arnold, Mrs. Carroll, Mr. Lasky & Mrs. Rizzo as part of the team that supports the North Community!

The Spartan of the Year Award is an SDM initiative and will be given to a graduating senior who, as viewed by the staff of Williamsville North, exemplifies all of the following characteristics.

The Spartan of the Year:
- is respectful to peers, faculty, and staff.
- demonstrates a strong sense of responsibility with academics as well as sports, extracurricular activities, the arts, community service, etc.
- is intrinsically motivated and values academic achievement with integrity while supporting peers to also achieve their best academically.
- is resilient and has persevered through life’s challenges (academic, personal, etc.)
AirDrop (Using iPhones or Apple devices) can be a great tool for sharing resources. Apple users should be aware of iPhone settings to limit unwanted sharing.

**HOW TO EDIT AIRDROP SETTINGS**

You can turn receiving off, or limit to contacts only. You will still get pop-ups asking you if you accept the AirDrop.

**NAME YOUR DEVICE PROPERLY**

It is recommended that you only accept AirDrop requests from known devices. “iPhone” may be too generic.

We're officially in 2022 and getting closer to the end of year Senior activities. There are still senior class committees that have no chairs or could still use extra help. We are looking for a chair to organize collecting local business donations. This would entail sending letters and/or visiting local businesses and working to get $25 dollar gift cards donated. Great ideas are local pizza places, coffee shops, smoothie bars, gas, restaurants, convenience stores, etc. If you would be able to help with this committee or have a couple of friends that would like to do it together we could really use your help. The other committees we have, that could always use more help are:

"Super prize" donations
Senior and Guest registration
Decorations
Food and Beverage
Prize distribution
Fundraising

Also, if anyone is able to donate gift cards or items that the students would be excited about winning we would love your donations.

Other ways to help the senior class is to save your Dash's receipts and bring them to the main office and sign up on Amazon smile for Williamsville North HS and a % of all your purchases on Amazon will go to our PTSA.

Thank you and if you have any questions please contact Taunya Abaya (taunyaabaya@yahoo.com) or Andrea Weissenburg (ap1yz@aol.com)

GOALS FOR 2021-2022

Shared Decision Making (SDM Goals)
We continue to confront issues that are relevant and that could make a positive impact on our school community. We have some academic and social emotional learning goals, along with last year's goal dealing with school unity.

*Social Emotional Learning Goal: This is a continued goal from last year. We will be working toward encouraging teachers to do community circles in their classrooms to help with social / emotional issues. The pandemic is still a part of our community, and we need to help students who are struggling emotionally. Our plan is to speak at a faculty meeting, post community circle prompts, and follow up with teachers in the spring.

Academic and School Community Building/ Unity Goal #1: Spartan of the Year Endeavor. Since there is no class rank anymore, we would like to build a sense of community through nominating a Spartan who represents everything about North-leadership, teamwork, etc. This is a goal from last year as well, and it was pretty successful. We would like to continue this endeavor and focus on communication (with students, parents, teachers, etc.). This is an honored tradition, and our goal is to publicize and clarify this honor. This student will speak at graduation this year just like our recipient, Sarah Jiang, did last year.

Academic and School Community Building/ Unity Goal #2: Freshmen Connection: We are concerned that freshmen aren’t making enough connections with the school community. Working with the guidance department, support staff (cafeteria monitors), administration, and teachers, we will survey staff and students regarding: freshmen behavior, freshmen academic needs/ wants, freshmen supports, etc. Our goal is to compile resources for freshmen and also create a means of keeping them connected to school (i.e., via clubs, through Link Crew, etc.).

School Community Building/ Unity Goal: Spartan Event of the Week. This was a goal we started two years ago, and we are tackling this again. This year, we will publicize an event each week and encourage students and community members to participate in the event. Club advisors will sign up for a designed slot in the weekly newsletter and using a slide template, will publicize their club. We’ve been working closely with administration to highlight all school events.

Communication Goal: We will communicate with community members via the weekly newsletter (who we are, parent/ student feedback and input). Our goal is to better educate the public about SDM’s work/ goals. *Mrs. Doviak will be speaking at PTSA on 11/1 re: our goals, past goals/ successes, etc.

Mission Statement
We are a representative group of the Williamsville community who agree to convene in order to plan, problem-solve & set direction for the improvement of student achievement & character development at Williamsville North High School. We are committed to fostering a safe, respectful & nurturing learning climate that encourages students to achieve their fullest potential academically, emotionally, physically & creatively. Our purpose is to positively impact education & allow for the personal growth of all students at Williamsville North, so that they can become the leaders of tomorrow & shape the future.
Williamsville PTSA Council Scholarships

The Williamsville PTSA Council, with financial support from the PTSA Council Holiday Craft Show, is awarding 8 scholarships of $750 each to graduating seniors. Eight seniors from the district’s three high schools will receive a scholarship that may be used at any college or university or vocational school/training. All high school seniors are encouraged to apply.

The selection as a finalist will be based on three equally weighted criteria:
- Activities in school
- Service in the community and extra-curricular activities
- Written essay

Scholarship Qualifications:
- An Applicant must:
  - Be a Williamsville Central School student for at least one full year preceding graduation.
  - Be a member of a Williamsville Central School District PTSA unit - PTSA unit name or a copy of your membership card.
  - [Complete the online google application form](#) and submit your essay and two supporting documentation via pdf via the google form, email to the account below, or printed neatly and submitted by mail/drop.
  - The deadline for all items to be submitted is Sunday, May 1, 2022 at 11:59 PM.

The selection committee will weigh the merits of each candidate and mutually select those students felt to be most deserving of this award.
