

WILLIAMSVILLE SOUTH HIGH SCHOOL

Shared Decision Making Team—Goals

2018-2019

2018-2019 South HS Goals

The mission of the Williamsville South SDM Team is to work toward providing a safe and supportive learning environment, which fosters an increase in student achievement, mutual respect, responsibility, critical thinking and healthy lifestyles. ALL students will be offered the opportunity to become decision-makers, life-long learners and dependable, productive citizens.

First, we will increase overall participation in our co-curricular program to 87% from 86% last year. This is setting the bar 1% higher than last year and 7% higher than it was three years ago (we set the 2014-2015 goal at 80%).

Second, we will be meeting as a group to discuss Gender equity issues within the building, making recommendations to the larger committee particularly in the area of dress code issues.

Along with the above goals we will continue to incorporate SMART Goals from each Data Team into our plan. Each Data Team has selected an area of focus and will meet regularly to improve student learning.
