

# WILLIAMSVILLE SOUTH HIGH SCHOOL

Shared Decision Making Team—Goals

2016-2017

## 2016-2017 South HS Goals

*The mission of the Williamsville South SDM Team is to work toward providing a safe and supportive learning environment, which fosters an increase in student achievement, mutual respect, responsibility, critical thinking and healthy lifestyles. ALL students will be offered the opportunity to become decision-makers, life-long learners and dependable, productive citizens.*

First, we will increase overall participation in our co-curricular program to 85% from 83% last year. This is setting the bar 2% higher than last year and 5% higher than it was two years ago (we set the 2014-2015 goal at 80%).

Second, we have made it one of our goals again this year to conduct a week-long campaign to raise awareness on Social Networking, focusing specifically on awareness. Our goal this year is to revamp the events of the week, which will be held during April or May of 2017. Included in this goal will be another parent presentation regarding Social Media, which will be hosted at South and include participation from the Amherst Police Department.

Third, we plan to once again hold the newly created "South Cares" week, working with our Sources of Strength club, Link Crew and the Wellness Team to plan a weeks worth of activities focusing on caring and positive relationships in our school community.
