

Summer Enrichment Program 2020

Summer Enrichment has gone virtual. Winchester public school teachers and staff teach summer enrichment classes. Our hope is that you will find a class that will keep your child/children engaged and excited to learn something new. Classes will be kept small to foster connection and build community.

Please take a look at our website:

<http://sites.google.com/a/winchesterps.org/wps-summer-enrichment/>

Classes fill up fast, register today.

Please contact our Summer Enrichment Coordinator, Jessica Callahan, if you have any questions at jcallahan@winchesterps.org
