Additional \$16.6 Million to Help Wisconsin Families Keep Heat on this Winter

Gov. Tony Evers recently announced [an additional \\$16.6 million investment](#) to help Wisconsin families keep their energy and heat on throughout the fall and winter months. This investment will be managed by the Wisconsin Department of Administration (DOA) and includes \$13.6 million for the Wisconsin Home Energy Assistance Program (WHEAP) for heating assistance and \$3 million for the Keep Wisconsin Warm/Cool Fund for crisis energy assistance.

Energy assistance benefits are available for individuals and households through WHEAP from Oct. 1, 2022, until May 15, 2023. This heating season, the average heating benefit is expected to be \$372 and the average electric benefit is expected to be \$210. Residents can apply for energy assistance through county social and human service offices, Tribal governments, and private non-profit agencies, online at <https://energybenefit.wi.gov>, or by phone at 1-800-506-5596. Eligibility is based on household income, household size, and the home's energy costs.

Wisconsin Help for Homeowners Deadline Extended to December 30

[The Wisconsin Help for Homeowners program](#) has so far distributed over \$18.7 million to help more than 2,900 Wisconsin homeowners stay in their homes, catch up on bills, and avoid foreclosure. **The application window for this program has been extended until December 30, 2022, or until program funds are expended.**

The program is open to individuals and families who live in Wisconsin with overdue housing-related bills, both with and without a mortgage, who meet income and other eligibility requirements, and have experienced a qualified economic hardship since January 21, 2020.
