I, _____, certify that:

1. I have made application for a tree permit from the Town of Woodway, WA.

4. I understand that in accordance with RCW 18.27.110, the Town of Woodway must verify that the contractor is registered by the State of Washington prior to issuance of a building permit for work that is to be done by any contractor, unless one of the exemptions stated under RCW 18.27.090 applies.
5. In order to provide verification to the Town of Woodway of my compliance with this requirement, I hereby attest that after reading the exemptions from the registration requirement of RCW 18.27.090, I consider the work authorized under this building permit to be exempt under Exemption No. _____, and will therefore not be performed by a registered contractor.
