TOWN COUNCIL ORDER**

**Adopting the Second Amendment to the Downtown Omnibus Municipal Development and Tax Increment Financing District Development Program**

**WHEREAS**, the Town of Yarmouth (the “Town”) is authorized pursuant to Chapter 206 of Title 30-A of the Maine Revised Statutes, as amended, to amend previously established tax increment financing (“TIF”) districts and development programs within the Town; and

**WHEREAS**, the Town designated the Downtown Omnibus Municipal Development and Tax Increment Financing District (the “District”) and adopted a Development Program for the District on August 20, 2015 in order to capture the value of real property improvements made within the District and to enable the use of TIF revenues for various municipal and other economic development projects, which received approval from the Maine Department of Economic and Community Development (“DECD”) on February 29, 2016; and

**WHEREAS**, the Town approved and adopted the First Amendment to the District and Development Program for the District on May 21, 2020 in order to allow the Town the ability to award grants to local businesses in response to the economic hardships experienced because of the COVID-19 public health crisis, which received approved from DECD on June 24, 2020; and

**WHEREAS**, amending the Development Program for the District will help to continue to promote economic development within the Town and the surrounding region; improve and broaden the tax base of the Town; and improve the economy of the Town and the State of Maine; and, specifically, will allow the Town the ability to use TIF funds to be used for costs associated with the operation and financial support of affordable housing within the municipality; and

**WHEREAS**, the Town Council has held a public hearing on October 19, 2023, upon at least ten (10) days prior notice published in a newspaper of general circulation within the Town, on the question of adopting the Second Amendment to the Development Program for the District in accordance with the requirements of 30-A M.R.S.A. § 5226; and
