(Town Council and School Committee recommend \$44,111,921)
- ARTICLE 22:** To see what sum the Town will appropriate for the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act (**Recommend: \$24,925,808**) and to see what sum the Town will raise as the Town's contribution to the total cost of funding public education from pre-kindergarten

to grade 12 as described in the Essential Programs and Services Funding Act in accordance with the Maine Revised Statutes, Title 20-A, section 15688. **(Recommend: \$15,948,160)**

(Town Council and School Committee recommend approval.)

Explanation: The Town's contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act is the amount of money determined by state law to be the minimum amount the town must raise to receive the full amount of state dollars.

ARTICLE 23: To see what sum the Town will raise and appropriate for the annual debt service payments on any non-state-funded school construction projects, non-state funded portions of school construction projects, and minor capital projects, in addition to the funds appropriated as the local share of the Town's contribution to the total cost of funding public education from pre-kindergarten to grade 12. **(Recommend: \$2,451,132)**

(Town Council and School Committee recommend approval.)

Explanation: Non-state-funded debt service is the amount of money needed for annual payments on the town's long-term debt for major capital school construction and minor capital projects that are not approved for state subsidy. The bonding of the long-term debt issues was approved by the voters in 2018.

ARTICLE 24: A WRITTEN BALLOT IS REQUIRED BY LAW FOR ACTION ON THIS ARTICLE:

To see what sum the Town will raise and appropriate in additional local funds, **(Recommend: \$16,519,684)** which exceeds the State's Essential Programs and Services funding model by **(Recommend \$16,519,684)** as required to fund the budget recommended by the School Committee and Town Council.

Required Note: The School Committee recommends **\$16,519,684** for the additional local funds and gives the following reason for exceeding the State's Essential Programs and Services model by **\$16,519,684**. **\$16,519,684** is needed to cover the Town's share of the School budget that the Essential Programs and Services model does not recognize.

(Town Council and School Committee recommend approval.)

Explanation:

The additional local funds are those locally raised funds over and above the town's local contribution to the total cost of funding public education from pre-kindergarten to grade 12 as described in the Essential Programs and Services Funding Act and local amounts raised for the annual payment on non-state funded debt service that will help achieve the town's budget for educational programs.

Each registered voter may come to the polling station in the auditorium and mark a ballot [YES or NO] and deposit it in a box provided by the Town Clerk. Once all who wish to cast a ballot have done so, the Clerk will tally the results to be announced by the Moderator.

ARTICLE 25:

In the event that the Yarmouth School Department receives more state education subsidy than the amount included in its budget, shall the School Committee be authorized to use some or all of the additional state subsidy to decrease the local cost share expectation, as defined in Title 20-A, section 15671-A(1)(B), for local property taxpayers for funding public education, to increase expenditures in cost center categories, and/or to increase the allocation of finances in the School Department Reserve Fund, as approved by the School Committee?

(The Town Council and School Committee recommend approval.)

ARTICLE 26:

To see if the Town will vote to authorize the Yarmouth School Committee to expend such other sums as may be received from federal or state grants or programs or other sources during the 2025-2026 fiscal year for school and/or adult education purposes provided that such grants, programs, or other sources do not require the expenditure of funds not previously appropriated. The School Committee estimates that \$161,500 will be received and applied against the fiscal year ending June 30, 2027.

(Town Council and School Committee recommend approval.)

Following action on Article 26, the Town Council recommends adjourning the Annual Meeting to be continued on June 9, 2026, for voting by Secret Ballot on Articles 27, 28 and 29. Polls will be open at the Yarmouth High School Gymnasium off West Elm Street in Yarmouth from 6:00 AM until 8:00 PM.
