

Town of Yarmouth

Adopt a Hydrant Program

**VOLUNTEER TO CLEAR SNOW FROM A HYDRANT
SO FIRE-RESCUE CREWS CAN ACCESS IT IN AN
EMERGENCY!**

*Fire Hydrants that are buried in snow cause dangerous delays for Firefighters.
You can help prevent these delays by adopting a hydrant
and committing to keep it clear of snow this winter.*

- **Remove any snow & ice within 24 hours after a storm.**
- **Clear a 3-foot perimeter around the hydrant so Firefighters can access it.**
- **Clear a path from the hydrant to the street.**

** Give Back to the Community * Keep Your Family & Neighbors Safe *
* Assist the Town's Public Works & Firefighting Crews **
