MOORING REGULATIONS

.....
The mooring and anchoring of all boats in the tidal waters of the Town of Yarmouth shall be governed, regulated and controlled by the Town and no person or persons shall moor or cause to be moored therein boats of any description except in conformity with the rules and regulations established therefore by the Municipal Officers.

All mooring applications for existing moorings must be received **complete on or before April 15th** for processing through the Yarmouth Police Department at 200 Main Street. A \$50 late fee per mooring will be assessed after April 15th. Moorings expire on May 15th and may be reissued after that date. Separate applications for each mooring must be accompanied by a copy of the boat registration or documentation certificate for the current season. Multiple moorings in the same area must list different boats. Application is accessible through **onlinemooring.com** or by link at the Town of Yarmouth Police Department website.

The Harbor Master will make all mooring assignments in *ALL YARMOUTH WATERS* for which a mooring plan has been established, except areas within the Federal Navigational Project, on a “first come, first served” basis in accordance with the following priorities: (The annual application for mooring renewal shall specify the person’s category.)

- * Property owners with real estate abutting the waters immediately adjacent to the proposed mooring location pursuant to Title 38 Chapter 1.
- * Resident commercial fishermen
- * Resident non-commercial
- * Non-resident commercial fishermen
- * Non-resident seasonal property owner
- * Other non-resident non-taxpayer

WAIT LIST APPLICATIONS must be renewed annually by April 15th. All notifications that fees are due as well as any information will be by email. Failure to

remit the appropriate fee will result in the applicant being removed from the Wait List.

Previously dropped re-applicants will be placed at the bottom of the list.

Moorings tenders/dinghies must have owner’s name and mooring number on transom. Recreational dinghies must not exceed 10’ overall length. Commercial dinghies must not exceed 14’ overall length. Unlabeled dinghies will be removed.

All moorings shall be inspected every two years, either by the mooring owner or by a mooring service company. All moorings shall be in safe condition before being placed in any Yarmouth anchorage. A list of recommended mooring tackle specifications is available upon request.

Each mooring will be assigned an identification number which must be marked legibly on the mooring buoy by using numerals at least 3” in height. All mooring buoys shall be white and have a blue horizontal stripe. They must be of sufficient size and buoyancy to remain afloat when not attached to the vessel. Log moorings will be allowed **ONLY between October 1st and June 1st.**

Neglected, abandoned, unauthorized or deficient moorings (including, but not limited to, unpaid fees, incorrectly placed or unassigned locations) shall be moved or removed by, or under the direction of, the Harbormaster. Any expense incurred will be borne by the owner.

All mooring assignments shall be used exclusively for the personal use of the applicant who must be the registered boat owner and solely for the boat listed on the application. No guest moorings, leasing, subleasing, or assignment of moorings or mooring numbers is allowed. A mooring assigned and not set for a period of one season, as determined by the Harbor Master, shall be deemed abandoned.

OPERATION OF VESSELS

Speed and Wake

No person shall drive or operate any boat or vessel in the mooring areas of Yarmouth, for which a mooring plan has been established, in such a manner as to cause a wash, wake or wakes that disturb or damage any wharf, float, anchored or moored dock, boat or vessel or at a speed that endangers any person or property. **Boaters are always responsible for any damage or injury caused by their wake.**

Water Skiing

No person shall operate a boat towing a surfboard, water skis, *inflated inner tube*, or similar device within a mooring area. Towed person(s) must wear a personal flotation device.

Alcohol

.....
It is against Maine law to consume intoxicating liquor in any public place. This pertains to all facilities belonging to the Town of Yarmouth, including but not limited to, all properties, docks, floats, and picnic areas.

Title 38 section 284. Operation Under the Influence of Drugs or Liquor: *Whoever operates any watercraft, vessel, water skis, surfboard, similar device or motorboat, however propelled, upon the tidewaters of any municipality or upon any of the offshore waters within the jurisdiction of the State while intoxicated or under the influence of any narcotic, shall be guilty of a class E crime.*

**Compliance is Mandatory,
Per Order of Will Owen, Harbor Master**
