

Household Hazardous Waste Collection Day

Once a year, in the Fall, the Town holds a Household Hazardous Waste Collection Day. During this collection, residents can dispose of hazardous materials such as pesticides, gas, fertilizers, and other household chemicals free of charge or for a small fee, depending on quantity. This event is held at the North Road Fire Station. The date and time of the event, along with other information, will be posted on the Town's web site, social media and in the Notes.

Household Hazardous Waste Disposal

What Is Household Hazardous Waste?

Household Hazardous Waste (HHW) is considered any chemical that is not safe to dispose of in your household trash.

Items considered as HHW include:

- ◆ Automotive Fluids (Gas / Oil / Antifreeze)
- ◆ Cleaners
- ◆ Mercury Items (Other Than Thermostats)
- ◆ Pesticides / Herbicides
- ◆ Shop Chemicals
- ◆ Spray Paint

What Do We Accept At The Transfer Station?

The Yarmouth Transfer and Recycling Center DOES accept the following for Household Hazardous Waste:

- ◆ Antifreeze
- ◆ Motor Oil
- ◆ Paints / Stains / Varnishes (See PaintCare Program information at Facility or on Town Web Site)
- ◆ Thermostats

All other items should be disposed of properly at other respective facilities. Please see list in this brochure under “Hazardous Waste Disposal Options”.
