

TOWN OF YARMOUTH

TRASH & RECYCLING OPTIONS FOR BUSINESSES

TRASH: The Yarmouth Transfer & Recycling Center is for residential waste only - we do not accept commercial waste at the facility. Businesses are responsible for their own trash collection. A list of authorized Waste Haulers can be found on the *Transfer & Recycling* page of the Town's website (www.yarmouth.me.us).

RECYCLING: Businesses may recycle at the Transfer Station, but there are restrictions as to what items are acceptable and a Recycling Sticker is required. The Sticker fee is \$2.00 per Sticker and is good for one calendar year. Recycling must be generated within the Town of Yarmouth.

Leaf, Brush, Yard Waste: There is no Sticker required to dispose of leaves or lawn clippings but a Sticker is required if disposing of brush. If a contractor is hired to dispose of these items – the same applies - no Sticker required for leaves & lawn clippings, but the contractor must obtain a Temporary Permit from the Town to dispose of brush on behalf of the business, and the business must have a current Transfer Station Sticker. There is no charge for the Temporary Permit.

Stickers may be purchased at the Town Hall or obtained via mail through the Town's website (www.yarmouth.me.us). Please call Town Hall at 207-846-2401 if you have questions about Stickers, Temporary Permits or use of the Transfer Station.
