

CRIMINAL HISTORY RECORD
WAIVER OF CONFIDENTIALITY
(Peddler's/Street Vendors License Application)
Yarmouth, ME

In order to have my Peddler's/Street Vendor License application considered by the Town of Yarmouth, I knowingly and voluntarily authorize access by proper Town Officials to any and all criminal history records that may be on file with the Town and, specifically, the Yarmouth Police Department.

I understand that any information contained in such files may be considered by the Town in the decision to grant or deny this license application. I further understand that such information will not be used for any other purpose, and in all other respects will remain confidential.

A Food Service Establishment license application must be approved by the Environmental Health Division of the Health and Social Services Department. Prior to the license release, an on site inspection must be accomplished to determine compliance with the Town's applicable codes. The license will not be released without this inspection. This inspection requirement applies to existing establishments as well as newly constructed establishments.
