Subject: Photos of shed attached to principal house at 53 West Elm St.
Attachments: IMG_3275.jpg; ATT00001.txt; IMG_3276.jpg; ATT00002.txt

Wendy: I have attached these photos because the appeal filed by Ms. Runquist confuses the shed attached to the house depicted in these photos) with the detached out-building called in documents variously as a shed or studio (and in its previous iteration as a garage and later as a proposed bedroom). The detached out- building is contained in sketches attached to Mr. Jaegerman's memorandum.

I do not have the capacity to print these photos. I therefore hope you can do so and distribute them (as hard copies or in digital form) to the Board and Mr. Jaegerman.

Best wishes,
Janice Cooper
