LD 2003 – Amendments to Chapter 601, 701, 702, and 703 to Implement ADU Provisions

- a. Exterior design of the accessory unit is compatible with the existing residence on the lot through architectural use of building forms, height, construction materials, colors, landscaping, and other methods that conform to acceptable construction practices.
- b. The exterior design is in harmony with, and maintains the scale of the neighborhood.
- c. The accessory unit does not result in excessive noise, traffic or parking congestion.
- d. The primary residence and the ADU shall connect to public water and public sewer in compliance with all applicable Town of Yarmouth and Yarmouth Water District requirements as well as the Maine Subsurface Wastewater Disposal rules. If the primary residence and the ADU cannot connect to public water and public sewer, the applicant shall demonstrate by competent third-party evidence that the supply of potable water and/or septic capacity is sufficient for the primary residence and ADU. Approval of an ADU shall be conditional on any required improvements.
- e. Major access stairs, deck entry doors, and major windows will generally be limited to the walls facing the primary residence. Windows that impact the privacy of the neighboring side or rear yard have been minimized. The design of the accessory unit shall relate to the design of the primary residence and shall not visually dominate it or the surrounding properties.
- f. The orientation and location of the buildings, structures, open spaces and other features of the site plan are such that they maintain natural resources including heritage or significant trees and shrubs to the extent feasible and minimize alteration of natural land forms.
- g. Building profiles, location and orientation relate to natural land forms.
- ~~h. One parking space shall be provided on-site for each a studio and or one bedroom accessory unit. Two parking spaces shall be provided on-site for each a two bedroom accessory unit. Parking of the accessory unit is in addition to the required parking for the primary residence. Required parking spaces for the primary residence and the accessory dwelling unit may be provided in tandem on a driveway. A tandem arrangement consists of one car behind the other. No more than two cars in tandem may be counted towards meeting the parking requirement.~~
- i. A single-family dwelling exists on the lot or will be constructed in conjunction with the accessory unit. Only one ADU is permitted per lot.
- j. Accessory dwelling units are not eligible for variances to setbacks.
- k. Before obtaining a building permit for an ADU the property owner shall file with the registry of deeds a declaration of restrictions containing a reference to the deed under which the property was acquired by the present owner and stating that:
 - a. The accessory unit shall not be sold separately.
 - b. The unit is restricted to the approved size.
 - c. The use permit for the accessory unit shall be in effect only so long as either the main residence, or the accessory unit, is occupied by the owner of record as the principal residence.
 - d. The above declarations are binding upon any successor in ownership of the property;
 - e. The deed restrictions shall lapse upon removal of the accessory unit.
- l. Units within an Accessory Structure shall not exceed 900 square feet. ADUs shall be at least the minimum size adopted by the Technical Building Code and Standards Board pursuant to 10 M.R.S. §9722 and shall not exceed 900 square feet. If an ADU occupies an entire single floor of an existing Accessory Structure, the Planning Department may allow for an increase in the allowed size of the ADU in order to efficiently use all of the floor area, so long as all other standards of this section are met.
- m. An ADU may have no more than two (2) bedrooms.
- n. The water and sewage facilities shall meet all existing laws and codes.

LD 2003 – Amendments to Chapter 601, 701, 702, and 703 to Implement ADU Provisions

- o. Approval of an accessory apartment shall be conditional on obtaining applicable building, plumbing, electrical and any other necessary municipal permits.
- p. The Fire Chief must review and sign off on the application.
- q. Unless part of the design of an existing single family dwelling the dwelling(s) shall have only one (1) front entrance and all other entrances shall be on the side or in the rear of the dwelling. A front entrance leading to a foyer with entrances leading from the foyer to the two (2) dwelling units is permitted. Outside stairways (either open or enclosed), that service an Accessory Dwelling Units on upper stories are not permitted.
- r. For an ADU located within an existing garage or other outbuilding, the structure is not required to approximate the exterior features of the existing single family dwelling, but any exterior modifications should be consistent with the architectural style of that structure unless the building is upgraded per the requirement of new structures or unless the new structure is designed in a traditional New England form such as a barn.
- s. An existing single family dwelling that is nonconforming solely due to lot size, lot width, lot frontage, lot coverage, height or setback requirements may be expanded to incorporate an Accessory Apartment subject to the requirements of Chapter 701 of the Yarmouth Code Article III for the expansion of other non-conforming single family dwellings.
- t. ADU’s may be permitted on back lots.
- u. ADU’s are not permitted on a lot with a non-conforming use, unless that non-conforming use is a single-family dwelling, and the ADU shall be allowed.
- v. ADU’s are not permitted on a lot with mixed uses.
- w. When an owner wishes to eliminate the accessory apartment proof of the removal of the second kitchen and the restoration of the apartment to its status before the conversion shall be submitted to the satisfaction of the Planning Department. The owner shall record a Release of the Declaration of Restrictions on the Land after inspection and confirmation by the Code Enforcement Officer.
